How to Apply for This Rebate

1. Rebate funds are limited. Contact rebates@dakotaelectric.com or 651-463-6243 to reserve funds. This is not a guarantee of project approval.
2. Fill out this rebate application. All information needs to be supplied before a rebate check can be issued. Please note any warranty, rules or qualifications on page two of this form.
3. Complete and sign rebate forms. Mail or fax pages 1 and 2 to:
Rebates, Dakota Electric Association, 4300 220th Street West, Farmington, MN 55024
Fax number: 651-460-7524

Application # _____

Specific Rules and Qualifications

1. Existing or new commercial building projects qualify.
2. Commercial buildings achieving a score of 75 or higher using portfolio manager and verified by a professional engineer are eligible to apply for the ENERGY STAR® building reimbursement.
3. Building must pass the Indoor Air Quality criteria.
4. Rebates are available for implementing or installing energy-efficient electrical equipment that performs beyond the Minnesota State energy code and meets requirements through either the prescriptive or custom rebate programs. Existing equipment will not be considered for rebates. Check with your Dakota Electric Association account representative for details.

Warranty Information

Rebate qualifications do not imply any representation or warranty of such equipment, design or installation by Dakota Electric Association. Dakota Electric Association shall not be responsible or liable for any personal injury or property damage caused by this equipment. Dakota Electric Association does not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program. In no event shall Dakota Electric Association be liable for any incidental or consequential damages.

Other Important Program Rules

1. Dakota Electric Association reserves the right to conduct random inspections of installations/projects.
2. Project must comply with all program specific rules and qualifications.
3. Dakota Electric Association's cost-share is 50 percent/50 percent between Dakota Electric and the member, respectively.
4. The member is responsible for checking with Dakota Electric Association to determine whether funding is available and to verify program parameters.
5. The maximum rebate amount shall be the lesser of 50 percent of the project cost or \$20,000.
6. Qualifying members must apply for 2012 rebates no later than November 15, 2012.
