## Specific Rules and Qualifications

1. For new construction or renovation commercial/retail building projects.
2. The project building size must be less than 50,000 sq. ft.
3. Analysis can begin when preliminary building designs are completed, prior to the development of construction documents.
4. Rebates may be available for implementing or installing energy-efficient electrical equipment that performs beyond the Minnesota State energy code requirements. Check with your Dakota Electric account representative.

## Other Important Program Rules

1. The cost shall be shared; 50 percent Dakota Electric Association and 50 percent member.
2. The member is responsible for checking with Dakota Electric Association to determine whether funding is available and to verify program parameters.
3. Dakota Electric Association reserves the right to conduct random inspections of installations.
4. The maximum rebate amount shall be the lesser of 50 percent of the project cost or \$20,000.
5. Members must apply for 2012 rebates no later than November 15, 2012.
