Recycling receipt included **Purchase receipt included (Both receipts are required)**

Retailer Information:

Retailer/Store Name _____ Location _____

Rebates are available for the purchase of new ENERGY STAR rated products purchased on or after January 1, 2018. Recycling of the existing refrigerator and/or freezer is required. The purchased products must be installed where electricity is supplied by the cooperative. Rebate submittal must follow the guidelines as outlined by the cooperative. The cooperative is not responsible for inaccurate information supplied by appliance dealers. Rebates will be issued only for products on the current list of ENERGY STAR rated products as of the purchase date. ENERGY STAR occasionally removes products from qualifying lists, and the cooperative will not rebate products that have been delisted as of the purchase date or are mislabeled as ENERGY STAR. To verify ENERGY STAR certification for appliances and lighting, visit www.energystar.gov or call 1-888-STAR-YES. Rebate program, including the availability of rebates, is subject to change or cancellation without notice.

Important:

- Member cannot claim the rebate for both ENERGY STAR appliance purchase and the recycling-only rebate.
- Existing refrigerator or freezer does not have to be in working order.
- The appliance(s) must be installed within the cooperative's service territory and removed from service territory for recycling.
- Please fill out the form completely. Incomplete forms will not be processed.
- Rebates will be credited on your electric bill. Please allow 8-12 weeks for processing.
- Must include copies of the dated sales receipts for purchase **and** recycling.

Submit completed rebate form and copy of dated sales receipts within one year from date of purchase to:
Rebates, Dakota Electric Association, 4300 220th St. W, Farmington, MN 55024.
