Rebates are available on or after January 1, 2018 for the recycling of older, working refrigerators or freezers. The products must be removed from a residence where electricity is supplied by the cooperative. Rebate submittal must follow the guidelines as outlined by the cooperative. The cooperative is not responsible for inaccurate information supplied by appliance dealers. Rebate program, including the availability of rebates, is subject to change or cancellation without notice.

Important:

- Appliance must be in working order when recycling vendor arrives for pick up.
- Member cannot claim the rebate for both ENERGY STAR® appliance purchase and the recycling-only rebate.
- The appliance(s) must be removed from the cooperative's service territory for recycling only.
- Please fill out the form completely. Incomplete forms will not be processed.
- Rebates will be credited on your electric bill. Please allow 8-12 weeks for processing.
- Must include a copy of the dated sales receipt for recycling.
- Submit completed rebate form and copy of dated recycling receipt within one year to:
