Paul Bakken | *Vice Chair* Judy H. Kimmes Paul A. Trapp | *Secretary*

Dakota Electric Association is an electric distribution cooperative serving more than 107,000 members with 4,000 miles of overhead and underground lines. We believe in the cooperative business model, providing a critical service for the benefit of those we serve.

Community

As a cooperative, we endeavor to buy local and employ amazing people who live in the communities we serve. Our national trade association recently selected us to receive the prestigious Electric Cooperative Purpose award for our community involvement, and we were recognized again with the Dakota-Scott Employer of Excellence award. We support local charities and provide multiple scholarships to local high schools, our Spirit of Excellence award annually recognizes local first responders, and our employees and directors give their time and talents to serve throughout our communities.

Concern for the Environment

Your commitment to the environment and energy conservation saved more than 26 million kilowatt-hours in 2018. Coop programs and rebates include high-efficiency and low-carbon solutions for heating, cooling and lighting, and we demonstrate

Hello!

From Your President/CEO and Board Chair

support for electric vehicles with Ride and Drive events and our annual Energy Trends Expo.

We added another 2 MW, or 7200 solar panels, in 2018 and just signed contracts for an additional 3 MW in 2019. These solar sites connect to our distribution system and the energy remains in our service territory for the benefit of our members. This is in addition to our power supplier's commitment for 50 percent renewables by 2030.

Foundations for the Future

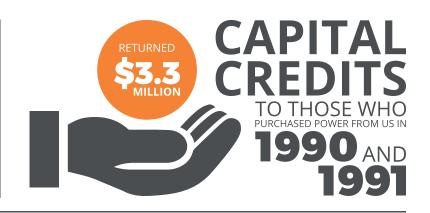

As our board and staff prepare for the future, we strategically implement systems to serve members for years to come. We recently upgraded our 22-yearold customer service software with a robust new system. We completed connecting all 30 of our substations with fiber optics for better communications and system control. This backbone serves as a conduit to the new automated meter-reading system that will replace aging meters in the field. Replacement of meters begins with a pilot project later this year and will be completed over the following two years.

On behalf of the board and the 200 employees of Dakota Electric Association, thank you for the privilege of serving you.

DOUBLE OR TRIPLE

Your rebate on select air-source heat pumps

Some call this offer cool. Others call it hot. We say, it's both! Cool and heat your home with an energy-saving air-source heat pump or a ductless air-source heat pump and receive a HOT promotional rebate!

Equipment must be installed by a registered contractor and enrolled in an Energy Wise® off-peak rate to qualify.

*Limited funds are available and awarded on a first-come, first-served basis. Rebate amounts and programs are subject to change without notice.

Volunteers needed for annual GreenTouch event

Saturday, May 4 | 9 a.m. - Noon | Lebanon Hills Regional Park

Dakota Electric seeks volunteers at Lebanon Hills Regional Park in Eagan as part of Touchstone Energy Cooperatives' GreenTouch event. Members will help with natural resource restoration, including planting and seeding native wildflowers and grasses.

After a morning of work and a free lunch, stay and enjoy hiking, canoeing, kayaking, mountain biking and more. All ages, organizations and scout groups looking for a service project are welcome, but space is limited and preregistation is required.

REGISTER ONLINE BY APRIL 26. VISIT DAKOTAELECTRIC.COM/GREENTOUCH.

You're invited to Dakota Electric's Energy Trends Expo

Thursday, May 9 | 6 - 8 p.m. | Eagan Community Center

This event is free and open to members interested in learning about the latest energy trends and technologies.

- Vendor tradeshow
- Demonstration of battery-powered yard tools
- Electric vehicle car show
- Breakout sessions:
 - **6:30** Home audits: Opportunities, tools and DIY tips
 - **6:50** Resiliency in a changing climate
 - **7:00** Electricity: The key to sustainability

Sponsored by Dakota Electric Association in cooperation with Lakeville Friends of the Environment.

Minnesota's Cold Weather Rule ends April 15

The State of Minnesota set up the Cold Weather Rule to protect residential heat-affected customers — who make and keep a payment plan — from disconnection of service between Oct. 15 and April 15.

Most Cold Weather Rule payment plans last until April 15 unless you make other arrangements with Dakota

Electric. Your service could be shut off if you have a past due balance on April 15 and do not make and keep a new payment plan.

Member service representatives are ready to work with you to avoid disconnection. Contact Dakota Electric at 651-463-6212 **before April 15**.

4300 220th Street West Farmington, MN 55024

UPCOMING EVENTS

- Board Meeting April 25, 8:30 a.m.
- Annual Meeting April 25, 7 p.m.
- GreenTouch
