

ENERGYWISE

Pool Pump & Heater Rebate

VARIABLE SPEED POOL PUMP

Variable speed pumps can adjust automatically using pressure sensors, and be scheduled through built-in automation systems to align with pool usage patterns. Dakota Electric offers a rebate of \$200 on any new ENERGY STAR qualified multi-speed, variable speed and variable-flow pumps with an Energy Factor (EF) ≥ 3.8 . To verify that a pump is ENERGY STAR qualified, check www.energystar.gov.

HEAT PUMP POOL HEATER

A pool air-source heat pump (ASHP) heater can maintain comfortable water temperatures for either outdoor or indoor pools, and is four-to-six times more efficient than electric boiler systems. Dakota Electric offers a rebate of \$400 for a new ASHP pool heating system or for the replacement of an electric resistance pool boiler system to an ASHP.

- Must be tested to AHRI 1160 testing standards.
- Must have a minimum Coefficient of Performance (COP) of 5.0.

CONTACT THE ENERGY EXPERTS®

Consider adding your pool pump and heater to one of Dakota Electric's off-peak programs. Contact our Energy Experts at 651-463-6243 to learn more.

Receive a \$200 rebate when you buy and install an ENERGY STAR® pool pump variable speed motor or a \$400 rebate when you buy and install an air-source heat pump pool heater.

Rebates \$400 and under will be issued as a credit on your bill. Please allow 8-12 weeks for processing.

Incomplete forms will not be processed. Submit completed rebate form and copy of dated sales receipt within one year of purchase to:

Rebates, Dakota Electric Association, 4300 220th Street West, Farmington, MN 55024
