

REFRIGERATOR/FREEZER RECYCLING

2023 Residential Rebate Form

The residential refrigerator/freezer recycling rebate is a one-time per year rebate of \$75 per refrigerator and freezer. Appliance must be recycled from an address where electricity is supplied by Dakota Electric®. Rebate may be claimed with or without the purchase of a new appliance. Selling or donating the appliance does not qualify for this rebate.

Please fill out this form to completion, incomplete forms will not be processed. Rebate will be issued as a credit on your electric bill. Please allow 8-12 weeks for processing.

Submit completed rebate form and a copy of the **dated recycling haul-away receipt** within one year from date of recycling to:

Rebates, Dakota Electric Association, 4300 220th Street West, Farmington, MN 55024

MEMBER INFORMATION

Name _____ Account # _____

Service address where appliance was recycled from _____

City _____ State _____ ZIP _____ Phone _____

Email _____

EQUIPMENT INFORMATION

I am recycling a (check one box) Refrigerator Freezer

I have included a copy of the recycling/haul-away receipt **(REQUIRED)** ←

SIGNATURE

I certify that the appliance for which I am claiming was removed from the service address listed above and represents a valid cooperative account. I understand that this rebate can be claimed with or without the purchase of a new appliance and that I am claiming the rebate for the recycling of my old appliance, not the purchase of a new appliance.
