

LED YARD LIGHT (MEMBER-OWNED)

2023 Rebate Form

The residential LED yard light rebate is a one-time \$30 rebate for the installation of a new ENERGY STAR® or Design Lights Consortium (DLC) rated LED yard light fixture (bulb not included) for a residential, member-owned yard light. Fixtures must be mounted on a pole (building-mounted fixtures do not qualify) and installed in **Dakota Electric's service area**. Fixtures must be 50-watt or greater LED replacements for high pressure sodium, metal halide, mercury vapor or in new installations. Fixtures below 50 watts **do not** qualify for this rebate.

Please fill out this form to completion, incomplete forms will not be processed. Rebate will be issued as a credit on your electric bill. Please allow 8-12 weeks for processing.

Submit completed rebate form and a copy of the dated sales receipt within one year of purchase date to:
Rebates, Dakota Electric Association, 4300 220th Street West, Farmington, MN 55024

Rebate is available for the purchase of a new ENERGY STAR or DLC rated yard light fixture purchased on or after Jan. 1, 2023. Dakota Electric is not responsible for inaccurate information supplied by retailers. ENERGY STAR occasionally removes products from qualifying lists. Dakota Electric will not rebate products that have been delisted as of the purchase date or are mislabeled as ENERGY STAR. To verify ENERGY STAR certification for appliances and lighting, visit www.energystar.gov. Rebate program is subject to change or cancellation without notice.
