TO OUR MEMBERS

*As we look to the future and launch
cutting-edge initiatives, Dakota
Electric's core values stay true —
provide excellent member service
and reliable, dependable electricity
at a reasonable cost.*

INDUSTRY-LEADING SERVICE

In December, American data
analytics and consumer intelligence
company J.D. Power completed
their 2022 Electric Utility Residential
Customer Satisfaction Study.
We are excited to report Dakota
Electric scored 782 points out of
1,000, putting us at number seven
in the country out of 831 electric
cooperatives!

COMMUNITY

In 2022, we donated \$78,500 to
charitable organizations in our
communities, and with help from
our members, donated over
1,200 pounds of food to the Open
Door. Furthermore, we worked
closely with our local schools to
provide safety demonstrations and
tree seedlings, awarded college
scholarships and participated in the
annual Youth Tour where we took
our community's brightest young
people to Washington, D.C. for a
week-long immersion to experience
democracy in action.

This trip is inspirational for many
students, and we are both humbled
and honored to be a part of this
leadership development journey.
Ultimately, the larger community
benefits from these programs
because you empower the co-op
through your membership and
through your participation.

CONCERN FOR THE ENVIRONMENT

Your commitment to the
environment and energy
conservation saved more than 15.2
million kilowatt-hours in 2022. Co-
op programs and rebates included
high-efficiency and low-carbon
solutions for heating, cooling and
lighting, and we demonstrated
support for electric vehicles with our
Ride and Drive event and our annual
Energy Trends Expo.

FOUNDATIONS FOR THE FUTURE

Dakota Electric's board of directors
and senior management finalized
the cooperative's three-year strategic
plan. The process has helped inform
the direction of Dakota Electric and
chart the course for future business
endeavors. Our employees are
eager to start implementing the
plan.

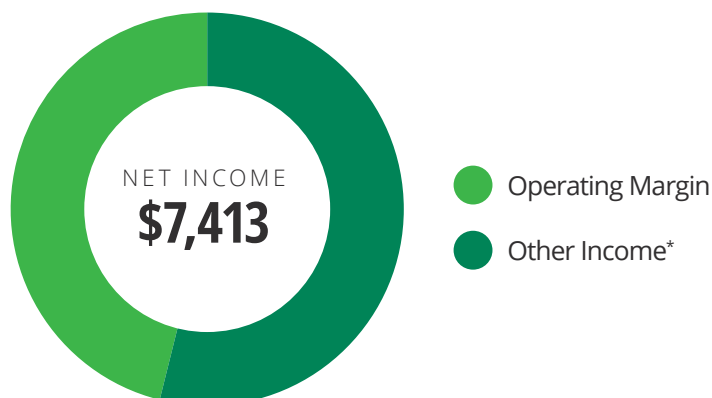

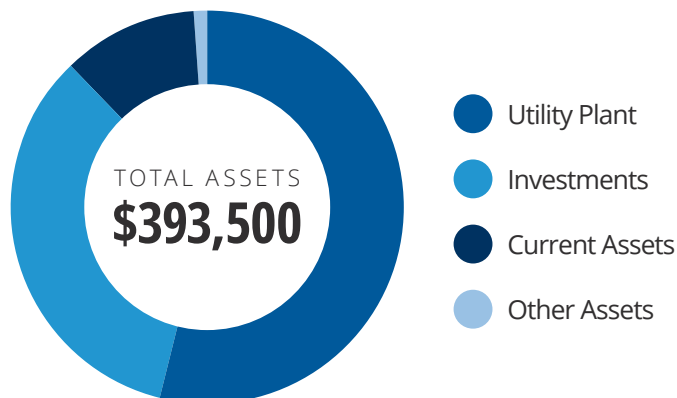

As we continue to look toward the
future, you can be confident that
we are committed to explore new
ways to help our members and our
communities.

BOARD ELECTION **INFORMATION**

As a member of Dakota Electric, you have the opportunity to participate in our annual election and vote for the directors who serve on the board and govern your cooperative. On April 13 (two weeks prior to the annual election), each member will receive their director election ballot in the mail from Survey & Ballot Systems, an independent election service. Each ballot includes instructions on how to vote by mail or online, as well as all director candidate biographies.

VOTE BY MAIL

Ballots must be received at Survey & Ballot Systems' office no later than noon on April 27. **Ballots should NOT be dropped off at Dakota Electric's office.**

(The member's original paper ballot may be submitted in person at Dakota Electric's Annual Meeting.)

VOTE ONLINE

Go to www.dakotaelectric.com; you will need your account number and election passcode, both of which will be included with the ballot mailed on April 13.

SAVE ENERGY, SAVE MONEY

TAKE ADVANTAGE OF THESE PROMOTIONAL REBATES!

Install a qualifying, energy-saving air-source heat pump or ductless air-source heat pump and save!

The technology of today's air-source heat pumps cool and heat your home, even in sub-zero temps, providing efficient, dependable and reliable comfort year-round. A ductless air-source heat pump is a good solution for homes with non-ducted heating systems, or for room additions where installing ductwork is not feasible. Equipment must be enrolled on an Energy Wise® off-peak rate and installed by a qualified contractor to receive the rebate.

AIR-SOURCE HEAT PUMP	REGULAR REBATE	PROMO REBATE*
≥ 8.2 HSPF	\$500	\$1,000
≥ 9.0 HSPF	\$800	\$1,300

DUCTLESS/MINI SPLIT AIR-SOURCE HEAT PUMP	REGULAR REBATE	PROMO REBATE*
Delivered fuels	\$300	\$450*
Electric heat	\$500	\$750*

*Minimum HSPF ≥ 9.0

For more information, call the Energy Experts® at 651-463-6243 or visit www.dakotaelectric.com/promos.

**Limited funds are available and awarded on a first-come, first-served basis. Rebate amounts and programs are subject to change without notice.*

COLD WEATHER RULE **ENDS APRIL 30**

The State of Minnesota set up the Cold Weather Rule to protect residential heat-affected customers — who make and keep a payment plan — from disconnection of service between Oct. 1 and April 30.

Most Cold Weather Rule payment plans last until April 30 unless you make other arrangements with Dakota

Electric. Your service could be shut off if you have a past due balance on April 30 and do not make and keep a new payment plan.

Member service representatives are ready to work with you to avoid disconnection. Contact Dakota Electric at 651-463-6212 **before April 30**.
